STABILITY & SOUND IMPROVEMENT

If you wish to fill your stands with sand, feed the supplied sand bag through the top of the tube and fill.

SH289, Issue 2

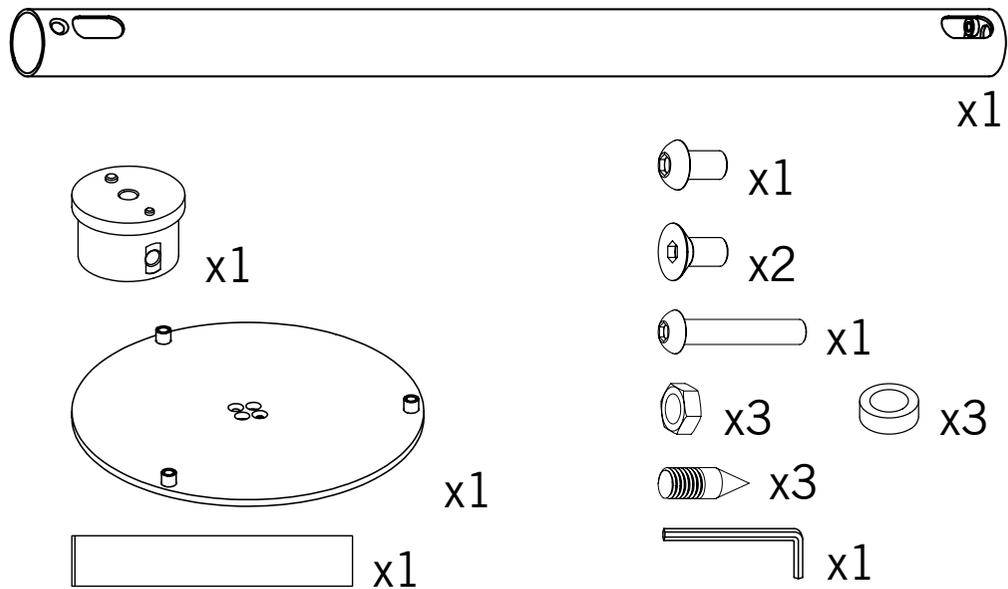

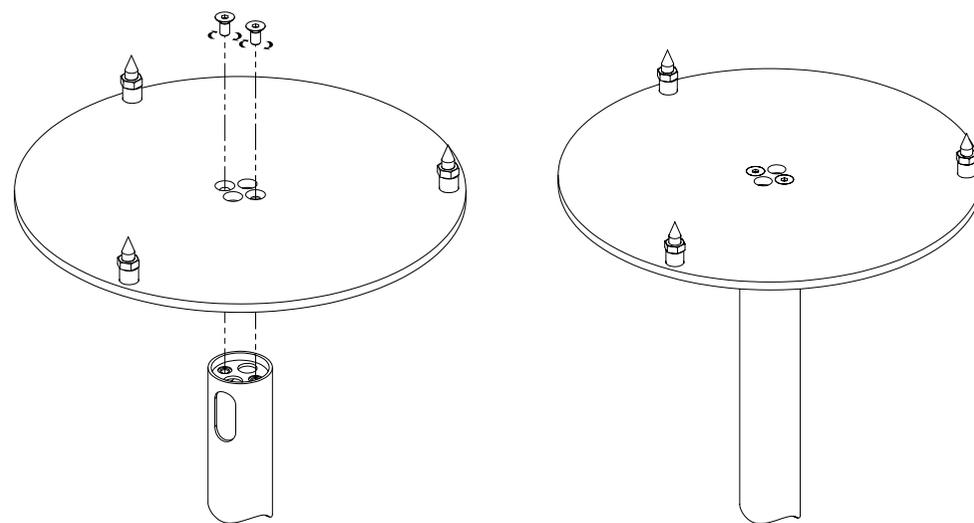

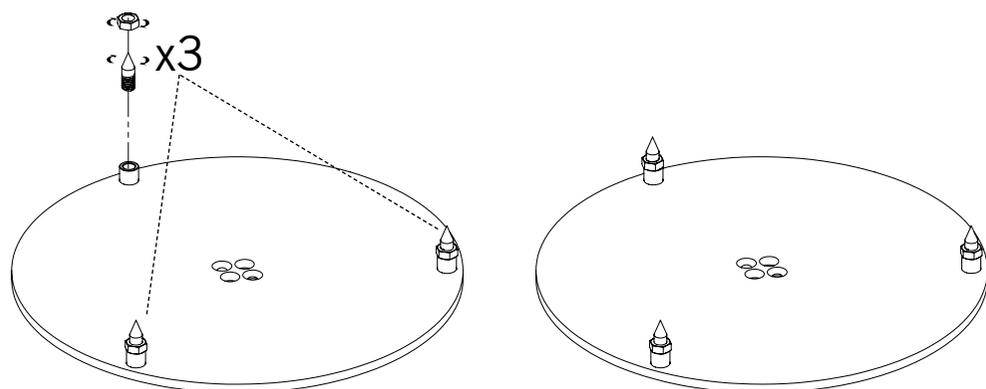

NOTICE TO PURCHASER

Dear Arcam customer,

Thank you for purchasing this Muso speaker stand. Please note that it has been designed to exclusively support the Arcam Muso speakers. Arcam will replace any parts of this product which are found to be defective within one year of purchase, provided they have been used in accordance with the fitting instructions.

Arcam disclaims liability for any damage caused when using any other speakers, or if the stands are not assembled in accordance with the instructions. Arcam, its distributor and their respective agents cannot be held liable or responsible for property damage or injuries, direct, indirect or consequential, due to the use, or inability to use this product safely and correctly.

We have endeavoured to produce an accurate and concise assembly guide. Arcam disclaims liability for any problems arising from the interpretation of information within this guide.
