MUSICBOOST

Combined headphone amp, DAC and battery pack for iPhone® 6 or iPhone 6s in a stylish sleeve

- ⚡ Fully recharges the iPhone 6 or iPhone 6s battery with up to 120% extra battery life
- 🔊 High precision DAC with dedicated headphone amplifier for high quality sound
- 🔒 Soft touch sleeve to help protect your iPhone 6 or iPhone 6s

The MusicBOOST is supplied with a micro USB cable that can charge both the MusicBOOST & iPhone and sync the iPhone.

The MusicBOOST has been carefully designed to not only boost the battery life and help to protect your iPhone 6 or iPhone 6s, but also to massively improve the audio quality. Using only the finest DAC (digital to analogue converter) and dedicated headphone ICs from TI/Burr Brown as well as years of experience in making world-class stereo and AV products, the MusicBOOST from Arcam will transform your mobile listening experience!
