

# CD17

## CD Player

As Arcam's most affordable CD player the CD17 is an ideal introduction to the world of serious music playback. Arcam have been building CD players for more than twenty years. All that experience is brought to bear in the CD17 along with the very latest DAC technologies and hundreds of hours of auditioning and tuning.

**“A highly enjoyable musical companion”**

HiFi World

The CD17 is built to the highest standards, using the finest audiophile grade components.

State of the art technology

1 The CD17 remote offers system control of matching Arcam products. 2 Dual line outputs allow for connection to multi-room systems. 3 Digital outputs allow for future upgrading, e.g. with a D33 DAC.
